

LILY PACZESNIAK

I'm a truly passionate and exceptionally creative individual who puts their heart into anything they do. I have an immense drive to learn, and I progress quickly, paying attention to the small things on the way.

SKILLS

- HTML
- CSS/Sass
- JavaScript
- React, Node
- SQL (SQLite, Postgres)
- PHP
- Git, bash/zsh

PROJECTS

eCommerce Web App · React.js, Express, APIs

Skincare website with a clean, modern design featuring a fully functional basket and user wish list.

Drawing App · HTML drawing, Tailwind CSS, Vite

Simple and fun application that lets the user doodle on a plain canvas with various tools and colours.

Mini Game · Phaser.js, Sprites, Apache

A 2D game where the player swims around a pond collecting bugs with a koi fish.

Website · Vanilla HTML, CSS & JS, SQL database

Lively company website showcasing a plants database split into convenient categories.
